

Colpocoryphe rouaulti Henri, 1970) (TH52h)

Colpocoryphe → Phacopida → Calymenina → Calymenoidea → Calymenidae

Provenance : France, Sarthe, Saint-Denis-d'Orque

Formation : ? Fm

Age : Upper Ordovician

Details : Relatively complete internal mould...from a site (and district) whence I didn't have this species from yet.

Gotten on : 27-28/08/2022

Gotten at : Salle Omnisports, Bernissart

Event : Bernissart 2022
