

**Gerastos sp.** (TH145a)

**Gerastos** → Proetida → Proetina → Proetoidae → Proetidae → Proetinae

**Provenance** : Morocco, 'Djebel Issoumour'

**Formation** : ?Fm

**Age** : Devonian

**Details** : Complete specimen (but not quite completely prepped out of the matrix – I might very well do that one day, I might even go dig for the hypostome...after which I'll be sure to post an adapted file here), found in association with (93b) Scutellid cf. **Scabriscutellum (Cavetia) furciferum** (Hawle & Corda, 1847 as **Bronteus furcifer**).

**Bought on** : 05/09/2021

**Bought at** : Bibliotheek, Sint-Gillis-Waas

**Event** : BVP 2021
