

Pardailhania multispinosa Thoral, 1948 (TH531)

Pardailhania → Aulacopleurida (ex-Ptychopariida) → Aulacopleurina → Aulacopleuroidea → Solenopleuridae

Provenance : Spain; Murero

Formation : Murero Fm

Age : Middle Cambrian

Details : Partial specimen (missing pygidium and some of the posterior thorax...though they might be present in the matrix – by all means I should try and see whether further prep is possible).

Bought on : 21/06/2022

Bought : Sainte-Marie-aux-Mines

Event : SMaM 2022
